

Making Connections

Everything you need to know about the Algoma Connect Program

WHAT IS ACP?

ACP is **Algoma Connect Program**. The purpose of ACP is to give back to the community and offer a structured means for students to improve their academic skills before entering university-level education. Algoma University's student tutors, in collaboration with staff from ADSB and HSCDSB and the Algoma University Support Team, will facilitate the remote preparation of high school students for their assignments and exams in math courses.

WHO ARE THE TUTORS?

Algoma University has assembled a diverse team of tutors ready to work in a virtual learning space. The tutors are third and fourth year students with a passion for mathematics and learning. ACP Tutors are able to help students learn course content as well as preparing them for 21st Century learning.

WHAT IS THE COST?

The ACP is provided free of charge for all **Grade 9 to 12** Mathematics students from in the **Algoma District School Board (ADSB)** and the **Huron-Superior Catholic District School Board (HSCDSB)**.

HOW DO I CONTACT A TUTOR?

High School students can reach out to the ACP by sending a message to algomaconnectprogram@algomau.ca. One of our tutors will reply to requests for help within 24 hours to set up a tutoring session.

As well, the Algoma Connect Program offers **drop-in** times from 7 - 8 pm daily to get to know the program and to arrange a tutoring session.

DO I NEED SPECIAL SOFTWARE?

The short answer is NO!

Students must have an **internet connection**, a **Gmail account** and the ability to use **audio**. Our ACP tutors will help students build their technology toolbox introducing different tools as needed. All sessions will use **collaborative** applications like Google Meet, Slides, Jamboard and online tools like Desmos and Geogebra.

FREQUENTLY ASKED QUESTIONS

Can I participate in a group tutoring session?

Yes! Ask a friend to join your session to learn about any concept you may be struggling with.

What if I have more than one question?

Our ACP tutors are here to help. Please feel free to ask as many questions as you need... or simply schedule another tutoring session at your convenience.
